

About Us

The company was established in 2006 by its director Mark Sheehan who has over 25 years experience in the design and construction of buildings.

Mark worked for prominent Norwich based Architects - Feilden & Mawson before spending more than 20 years working in Building Control for Local Authorities in Norfolk & Gloucestershire. Mark Sheehan Building Consultancy Ltd draws on this substantial experience in Architecture and Building Control.

Mark is a Corporate member of the Association of Building Engineers, a body recognised throughout the United Kingdom and Europe for Architects & Surveyors.

The company is based in Chalford, Gloucestershire with a satellite office in Swansea. Architectural & Building Control work is undertaken throughout Gloucestershire, the South West, South Wales and the M4 corridor. SAP calculations and Consultancy work can be undertaken throughout the country where site inspections are not required.

We are a small company and pride ourselves in the quality of service we provide. You will be provided with a fixed price quote for any projects you submit to us and can be assured there will be no hidden extras.

We provide PDF copies of all our work as standard practice which can be e-mailed to you to minimize delays but will always provide hard copies if requested.

Please browse this web-site for full details of the services we offer and do not hesitate to contact us if you feel that we can be of assistance to you.
